Wilbur Myers has been in Washington, D. C., this week on business.

Those confined with old fashioned measles include Frances and Jimmy Thurston and Ann Marie Rolfe.

Mr. and Mrs. William Von Zintz visited her father, E. P. Brown, at a New Hampshire hospital, Wednesday.

Raymond Bradley 3rd of Rangeley is spending a week with his grandparents, Mr. and Mrs. Richard Brown.

Mr. and Mrs. John Tebbets, Eugene and Ruth, have returned to their home on Eden Lane after spending two years in Japan.

Week end guests of Mr. and Mrs. Phillips Brooks were Mr. and Mrs. Gus Balocca of Oyster Bay, N. Y., and Mr. and Mrs. Glen Messerve of Hingham, Mass.

Miss Florence Blake of Auburn, formerly of Bethel, is still confined to the hospital where she is recovering from injuries received in an automobile collision at Danville, Nov. 19.

Stanley H. Fuller, Sog 2, returned to Norfolk, Va., after spending Christmas with his parents, Mr. and Mrs. Harold Fuller of West Bethel. He graduated in November from the Navy Submarine School in Groton, Conn., where he was an honor student. He assumed his duties on the USS Sirago which was to leave for the Mediterranean Dec. 28.

The Oxford County Postmasters met Wednesday evening at the Masonic dining room with 26 present. Dinner was served by the Ways and Means Club, O. E. S. The speaker was Mr. Anderson, foreman of mails at the Auburn sectional center. Henry Stone, West Paris postmaster, played electric organ selections.

The MYF met Sunday evening at Methodist Church. The worship service was led by Bob and Kathy Clemons. The chaplains for the Friday night dance at the Community Room are Reggie Brown and Kathy Clemons. Fr. Nelson, a retired Episcopalian minister, gave a talk on "Christian Life." Next week the worship service will be led by Martha Keniston and Stephen Dock.

INSTRUCTOR TO EXPLAIN SKIING TECHNIQUES AT MEETING WEDNESDAY

The Sunday River Ski Club will hold an open meeting at the Bingham Gym next Wednesday at 7 p. m. Uel Gardner, director of the Ski School, will explain the instruction program for grade school students which is held Wednesday afternoons and Saturday mornings. He and Sonny Saunders will demonstrate the various stages of instruction and proper skiing techniques. This may be of particular interest to parents, helping them keep up with the new words and ways of skiing as well as the opportunities for low-cost instruction. The meeting is open to all.

Mrs. O. H. Anderson is spending the week visiting Mr. and Mrs. Alan Chase in Bangor. Weight control class will meet Tuesday evening at 8 at the home of Mrs. Helen Hillier. Miss Ada Bean has returned from Stephens Memorial Hospital. She is spending some time with Mrs. Gladys Hall.

Mr. and Mrs. Robert Pickett and two sons of Milton, Mass., visited Mr. and Mrs. Kimball Ames over the week end.

Julia Rose Brown, daughter of Mr. and Mrs. Alfred Brown, will be on Youth Cavalcade, tv channel 6, Monday evening.

The Bethel Chamber of Commerce will sponsor a banquet for the Gould Academy football and cross country lettermen at the Congregational Church Monday evening, Jan. 22, at 6:30. John Tebbets will speak on Japan. Wilbur Myers will be master of ceremonies. All Chamber of Commerce members are urged to attend.

The Couples Club of the Methodist Church met at the church for a pot luck supper, Saturday evening. Attending were Mr. and Mrs. Wallace Saunders, Mr. and Mrs. Avery Angevine, Mr. and Mrs. Frank Lowell, Mr. and Mrs. William Bickford, Mr. and Mrs. Lawrence Kendall, Mr. and Mrs. Robert Keniston, Mr. and Mrs. Albert Buck, Mr. and Mrs. Roger Luce, Rev. and Mrs. Richard Hamilton, Mr. and Mrs. Ranald Stevens, Mr. and Mrs. Paul King and Mrs. Erlon Paine.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The auditor completed his duties on Tuesday. A report of the audit will be published in the annual town report.

The first meeting of the Budget Committee was held at the Selectmen's office on Jan. 17th.

The members of your Budget Committee are as follows: Stanley Roberts, Ernest Angevine, Rodney Howe, Fred Grover, Edmond J. Vachon, Roderick McMillin, Roland Glines, Arlan Jodrey, Sumner Burgess, Richard Stevens, Richard Davis, and Charles Keoskie.

Lawrence Kendall started his duties as Night Officer on Jan. 10th. Arrangements have been made so that anyone desiring to contact him while on duty may phone his residence VANDYKE 4-2464.

A new supply of nomination papers is being printed and will be available at the Town Clerk's office the latter part of the month for those desiring to become candidates for town office. The closing date for filing nomination papers is Feb. 17.

It was necessary to take the Coleman 4 wheel drive International truck to Berlin to have the frame straightened. In plowing back roads it is difficult to miss all obstacles such as stumps and rocks. The blows weakened and sprung the frame over a period of time. The past fall the truck was overhauled by replacing worn parts in the transmission, transfer case, rear and front ends. Early in 1961 a new short block was installed, so that even though the truck is going into its tenth year it is now in good condition.

Sincerely,
Harold L. Bean

MYERS STATIONED AT NORFOLK

David R. Myers, Torpedo-man's Mate Third Class, son of Mr. and Mrs. Wilbur R. Myers, of Bethel, is now stationed at the U. S. Naval Receiving Sta-

David R. Myers

tion for transfer to USS Robert L. Wilson, DDE-847.

This station, commanded by Capt. V. A. Blandin, USN, is an intermediate Navy Activity which temporarily receives, shelters and provides for personnel reporting in for transfer to ships or shore stations in all parts of the world, or for separation at the end of their enlistment.

Myers is one of an average of 6,000 Navy men who pass through the receiving station each month.

CIVIL DEFENSE COM. DISCUSSES LOCAL PROBLEMS

At the regular monthly meeting of the Bethel Civil Defense Committee, the local members listened to remarks by Claude Bishop, Farmington, director of Sector One; Mr. Bishop discussed the necessary steps to be taken before government surplus material and funds for civil defense supplies could be allocated to the Bethel area.

Frank Bean, county director, was also present to discuss local problems, such as what resources for blood plasma could be called on, and the readiness of operation of the already designated Reception Centers established at Fryeburg, South Paris, and the Field House at Bethel.

Director Steve Jacobs distributed the Operations Plan which he had worked on with other committee members, and it was arranged to procure copies of the new U. S. Government booklet on fall-out shelters from the local post office. Plans to ask for operating, as well as emergency funds in the Town Warrant were discussed and an equitable sum agreed upon. Proper identification by means of car stickers, badges and caps and additional recruiting of deputized police officers was left to the attention of Addison W. Saunders, committee member in charge of Police Reserves. It was also decided to contact Lee Carroll, an expert in the field of electronics and radio, for aid in setting up a communication system under the general supervision of Richard Thompson. The next meeting of the committee will be at the Selectmen's office on Feb. 7.

Those attending the Woodturners' meeting in Boston, Thursday through the week end, are Mr. and Mrs. Wallace Saunders and Dexter Stowell. A period of cool weather ended Monday with a day's rain-fall. During the forenoon the rain froze to cars and roads. Later travel was as hazardous when, although warmer, the downpour washed sand from icy roads. Weather since then has been colder and windy with more cold promised.

House Trailer Zoning Proposed

Requests received by the Town Planning Committee from several residents of the Town for restrictions against the location of house trailers in certain sections of the town has resulted in a study of this problem by that committee.

The Committee realizes that there is a large and vital need for house trailers to meet the demand for economical homes. It also appreciates that the location of such trailers in areas of new and relatively expensive homes can result, particularly if there is not comparable "outdoor housekeeping," in a reduction in residential values which is unfair to house owners in such areas. The Planning Committee has therefore proposed that certain areas of the Town be zoned against house trailers, these areas to be determined by the wishes of the property owners involved.

The Paradise Street section is proposed on the basis that it is in general an area of new homes and the residents are apparently in favor of zoning against the use of trailers in order to protect the value of their investments.

The inclusion of Church, Main and Broad Streets is on the basis that the appearance of the Town from the standpoint of attracting summer and winter visitors would be injured by the presence of house trailers on these streets.

The Planning Committee believes that residents of other areas or streets in the town might wish to be included in the proposed zoning, but that, unless it receives definite information to this effect from the householders, no action should be taken on the part of the Planning Committee. It is hoped that those interested will attend the public meeting on Jan. 23.

The P. T. A. met Tuesday evening at Crescent Park School with 27 attending. The 4th Grade won the attendance banner.

Quentin Unger, Director of Health and Physical Education in Maine, explained the recent tests that were given in our schools, the results of which were very low. These tests are being conducted throughout the state. As yet the figures are not all in but the indication is that Maine as a whole has few good Physical Education Programs from grades 4 through 12. Mr. Unger showed a movie which told how one school had improved its program. He explained that these methods cannot work in all schools due to lack of facilities, space, etc., but that some sort of program of organized Physical Education should exist in every school for at least 15 minutes a day.

The group voted to have Mr. Laws set up a committee to meet with the School Committee and Mr. Sahlberg to discuss what could be done in our schools to develop a better Physical Education Program, report to be given at the next meeting.

The group also voted to have Mr. Laws appoint a committee to come up with some definite figures for the cost of hiring a bus and driver to transport children to the summer Red Cross classes, also on the cost of maintaining a skating rink on the Common next winter, both figures to be reported to the Town Budget Committee to be put in the Warrant for Town Meeting. Mr. Hillier re-

ported that a skating rink can be made on the Common this winter but that there are no existing funds to maintain it.

The 5th Grade Mothers served refreshments.

JAN. 21-26 "JAYCEE WEEK" IN BETHEL

Town Manager Harold Bean has proclaimed Jan. 21-26 as "Junior Chamber of Commerce Week" in Bethel and asked local organizations to co-operate in the observance.

He said the purpose of the week is to focus attention on young men and the work they are doing, and emphasize that the Bethel Jaycees have done an outstanding job in the fields of youth activities and community development.

During Jaycee Week observance here, the U. S. Jaycees will be recognizing America's ten outstanding young men of 1961 in Santa Monica, Calif., with National Jaycee President Bob Conger, making the presentation.

The week celebrates the founding of the Junior Chamber in 1915, when Henry Giesenberg saw a need for a young men's civic group and organized the first chapter, according to local Jaycee President, Richard Blake. The movement spread so fast that in 1920, the U. S. Junior Chamber of Commerce was formed with 24 cities represented. The Bethel Jaycees were formed in 1960. Built on the solid foundation of creating opportunities for leadership training through community betterment projects, the Jaycees today, over 200,000 strong, are active in 4,100 communities in the United States.

The Week in Oxford County

A tree falling across a 12,000 volt line of the Central Maine Power Company disrupted service in Peru, Canton, South Rumford, Burgess Hill and along the main highway for over two hours Monday morning. The accident occurred where men are felling trees along a new stretch of road between Peru and Canton.

The home of Mr. and Mrs. Louis Webster and family, Stickney Corner, East Dixfield, was burned early Monday morning. All furnishings were reported lost.

Members from Locke Mills Legion Post will initiate new members joining the John D. Long Post American Legion, Buckfield, Thursday evening.

The Oxford County 4-H Beef

Club will meet at the Extension Office at South Paris Friday evening.

County Commissioner John H. McKen of West Paris will seek renomination in the June Primaries.

The new Dixfield post office building is completed. It will be occupied about Feb. 1. The municipal offices also in the building are not finished.

Officers of the Stephens Memorial Hospital Auxiliary elected at the annual meeting Tuesday are: Mrs. Jerry Partridge, president; Mrs. J. Roland Lacourse, first vice president; Mrs. Elmer Peterson, second vice president; Mrs. Alan S. Chase, treasurer; Mrs. Noyes Shirley, recording secretary, and Mrs. Wesley Biggs, corresponding secretary.

If Only He Hadn't Passed On The Right . . .

Nearly 10,000,000 United States automobile accidents are caused each year by "If-Only" drivers, according to the United States Junior Chamber of Commerce. The Jaycees report that improper passing, speed too fast for conditions, following too closely and failure to yield the right-of-way are among driver errors accounting for more than nine out of every 10 traffic accidents. Nearly all, they say, could be prevented if only drivers would exercise more courtesy, caution or common sense. They add that while chronic violators account for more than their share of the annual traffic toll, the majority of all motor vehicle accidents involve normally conscientious drivers. In cooperation with Liberty Mutual Insurance Company, Jaycees are conducting an educational campaign to focus public attention on the human and economic loss caused by "If-Only" drivers.

Andover-East Andover

Mrs. Violet Swain, Corres.

Dave Glines, Bethel, a former resident of Andover, is recovering from pneumonia at the Veterans Hospital in Togus where he has been a patient since late November.

Mrs. Robert Dunn has returned from the Community Hospital. Mrs. Anna Cote is caring for Miss Sadie Bailey at her home on lower Main Street.

Robert J. Swain underwent surgery at CMGH on Jan. 11.

PTA met at the Recreation Center for their January meeting with 18 present. Armand Michaud reported on work completed at the Center. Another \$50 was donated making a sum now of \$150 to renovate the center. A committee consisting of Mrs. Eugene Merrill, Mrs. Bernard Favreau, Prin. Florence Hall, Prin. Dean McCrillis, Archer Poor, Student Council members, and six grade school students will meet and draw up the By-Laws, make the opening date and name the center before the next meeting. Voted to donate \$10.00 to Miss Reed for Gym equipment. Alcade Gallant gave a talk on Electric Cooking. A tentative date of Feb. 21 has been set for the CMPC to come to the Town Hall and demonstrate electric cooking. Tickets will be sold and proceeds will go to the PTA. The next meeting will be Feb. 7 and Thomas Palmatier Jr. will show slides and lecture on the Satellite Station. Miss Hall's and Miss Holmes' rooms won attendance mascots.

Julie Akers and Penny Poor will be the Captains for the Pineand Ski Club membership drive, now taking place. Officers are Warren Percival, president; vice president, Merton Fox, secretaries, Alice Helm and Ann Morton and

Treasurer, Ira Bodwell. The Trophy Committee has met and ordered the trophies for this year's carnival. The big jump is being repaired and the Town Jump is being used by the youth.

The Congregational Church annual meeting was held on January 8 with approximately 35 in attendance at the supper and meeting. Annual reports were read and new officers for the coming year elected.

Norman White has returned to his home in East Andover after having surgery at CMGH for removal of crushed bone in his wrist. A car slipped after being jacked up and broke his wrist in three places, also crushing a nerve.

Morton Perkins; his mother, Mrs. Etta Perkins; his brother, Henry Perkins and his son, Howard, were in Machias on Jan. 7 to attend the wedding of Avis Perkins to Leon Alley Simmons. Miss Perkins' mother was ill with the flu and her grandmother has a broken leg and neither were able to make the trip to Machias.

Mrs. Harriet Glover entertained seven members of the Community Club on Jan. 9. Reports were read and accepted. Mystery Sisters were drawn for the coming year. The next meeting will be on Feb. 13 with Mrs. Barbara Meisner with Mrs. Eldora Jones as co-hostess.

CARD OF THANKS

We sincerely wish to thank our relatives, friends, neighbors, Greenleaf Funeral Home and Reverend Raymond Bradley and all others for the kindness and sympathy shown in our recent bereavement. Also for the cards, beautiful flower tributes.

Get into the habit of allowing extra time for any trip you may be planning. The State Police point out that, if a driver knows he has plenty of time, he is more likely to drive sensibly. On the other hand, if he feels pressed for time, he may drive "in a hurry"—passing improperly, following too closely, failing to yield right of way, traveling too fast for conditions, etc. An early start is a safe start.

Your courtesy and common sense will help the guy behind. So, give those signals soon enough—He cannot read your mind!

Early darkness—fall rains—people driving home from work—others crossing streets, alighting from buses and private cars—all this adds up to real traffic danger in the fall of the year. Driving or walking, unusual care is the watchword for this time of year. The State Police remind us that "Night Doubles Traffic Troubles!"

"A CRY IN THE NIGHT" AT BRYANT POND CHURCH NEXT SUNDAY EVENING

"A Cry in the Night," hour-long missionary documentary film, will be shown at the Bryant Pond Baptist Church on Sunday evening, Jan. 21, at 7:30 p. m. The public is cordially invited.

Produced by World Vision, Inc., of Los Angeles, and filmed in color throughout Asia, "A Cry in the Night" features such scenes as reputed actual demon possession on the island of Bali. A savage cockfight in a temple courtyard. A new Tokyo, one of the world's most beautiful and modern cities, rising out of the ashes of defeat and the age-old customs of the past. Brutal Communist riots. A saintly missionary nurse binding up the wounds of the leprosy.

The film, the tenth released by World Vision, was a first place winner in the documentary division of the Winona Lake Film Festival, an international competition for religious films. It is being shown in churches across the country in what is described as a unique distribution plan. Churches using it, rather than paying rental fees or taking an offering for the World Vision organization, are required to take an offering for their own foreign missionary program.

"World Vision is a service organization," explains its president, Dr. Bob Pierce, "and we want 'A Cry in the Night' to serve the churches themselves, and to help them in their own missionary interests." He points to over 75 denominational and inter-denominational missionary organizations receiving "emergency aid" from World Vision, along with over 13,000 children being cared for by the organization in 156 orphanages throughout the Orient.

4-H NEWS

Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. (Matthew 25:40.)

The book "In the Steps of the Master," the English author H. V. Morton tells about walking up the hillside of the Mountain of Temptations. There Morton saw ten Greek monks living in a hut built into the rocky mountainside. According to the tradition, this was the cave where Jesus fasted. The monks offered Morton bread, for every stranger who comes to the cave is treated as if he were the Lord Himself.

The wandering Christ is standing at the door today, for He is walking the roads of this world. Evil may cross our paths, and sometimes we are tempted to believe that evil is

the ruling force in the world. This is not so. Christ is among us, and He is love. He comes as the truth and the life. He comes to each of us.

We must do as did the monks on the Mountain of Temptation—offer our neighbor love and concern as if he were Christ Himself.

PRAYER: O God, ruler of the world, we give Thee thanks that Thou has sent us Christ, who walks the roads of the world today. Help us to receive Him and recognize Him in our fellow men when they come to our door. Give us humble and obedient hearts to glorify Thee. In Jesus' name. Amen.

Thought for the Day: Christ walks with us each day as we do His work.

Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. (Matthew 25:40.)

The book "In the Steps of the Master," the English author H. V. Morton tells about walking up the hillside of the Mountain of Temptations. There Morton saw ten Greek monks living in a hut built into the rocky mountainside. According to the tradition, this was the cave where Jesus fasted. The monks offered Morton bread, for every stranger who comes to the cave is treated as if he were the Lord Himself.

The wandering Christ is standing at the door today, for He is walking the roads of this world. Evil may cross our paths, and sometimes we are tempted to believe that evil is

the ruling force in the world. This is not so. Christ is among us, and He is love. He comes as the truth and the life. He comes to each of us.

We must do as did the monks on the Mountain of Temptation—offer our neighbor love and concern as if he were Christ Himself.

PRAYER: O God, ruler of the world, we give Thee thanks that Thou has sent us Christ, who walks the roads of the world today. Help us to receive Him and recognize Him in our fellow men when they come to our door. Give us humble and obedient hearts to glorify Thee. In Jesus' name. Amen.

FERGUSON CANDIDATE IN PRIMARIES FOR RE-ELECTION TO SENATE

Sen. Norman K. Ferguson

State Senator Norman K. Ferguson (R) of Hanover has announced he will be a candidate for re-election for one of Oxford County's two Senate seats in the June Primaries. He served in the Senate in 1957 and 1961 and in the House in 1953 and 1955. During the 1955 session he was House Chairman of the Committee on Highways; was co-sponsor of the \$1,000,000 Special State Aid Highway Fund Bill. This same bill provided an increase from \$1,000,000 to \$1,500,000 in the Town Road Improvement Fund for Farm to Market Roads.

During the 1961 session he was chairman of the Natural Resources Committee and a member of the Committee on Highways. Mr. Ferguson was born in Nova Scotia. He is employed by the Oxford Paper Company of Rumford. A resident of Hanover since 1946, he has served as selectman for 11 years and chairman of the board for the past 10 years; he was appointed by Governor Muskie in 1957 to the Committee on Aging; served as Vice Chairman of that group until 1959; in 1958 Governor Muskie appointed him to represent the State on the Committee to study the Settlement Laws in Maine.

He is at present a member of the Maine Republican Budget Committee; Republican State Finance Committee; third year Finance Chairman of Oxford County Republican Committee; Oxford County Republican County Committee; Legislative Research Committee; New England Interstate Water Pollution Control Commission; Finance Chairman for Rangeley District Pine Tree Council of Boy Scouts of America; Member of Executive Committee of Maine Municipal Association and of

LASSITER TO SEEK RE-NOMINATION AS SHERIFF

Sheriff James Lassiter

James Lassiter, Sheriff of Oxford County, announced today that he will be a candidate for renomination at the Republican Primary Election in June.

This is Lassiter's eighth year in office, following appointment as Sheriff in August, 1954, after the death of Clark C. Hunt. That same year he won election to office.

Since his election as Sheriff, there have been no escapes from the Oxford County Jail, and the Jail has received an excellent rating each year under State inspection for sanitation, cleanliness, court service, security, and adequate general care of prisoners.

Under his administration several training schools for Deputies have been held and a two-way short wave radio county communication system, connecting with the Sheriff's network throughout the State has been installed. The County Buildings are the seat of connecting Civil Defense activities associated with the Department, with his help in organization.

Throughout the County Lassiter is in charge of five full

Rumford Community Hospital; Director of the Pine Tree Society for Crippled Children and Adults, Inc., Bath.

He is also a member of the Rumford Point Congregational Church; Oxford Bear Lodge, K. of P.; Bear River Grange; Northeastern Oxford County Fish and Game Assoc.; Oxford County Extension Service; Maine Farm Bureau Assoc.; Maine Good Roads Assoc. and Maine Assoc. of Assessing Officers. His wife is the former Hazel M. Merrill of Andover. They have a son and three daughters.

WHITMAN SEEKING SENATE NOMINATION IN PRIMARY

Rep. Gilman B. Whitman

Representative Gilman B. Whitman of Bryant Pond has announced that he will seek the Republican nomination for State Senator from Oxford County, in the forthcoming primary election. Whitman has

served two terms as State Representative from the towns of South Paris, West Paris, Woodstock, and Milton. In the 99th Legislature he served on the Natural Resources Committee. As a member of the current 100th Legislature he was elected to the office of Assistant Majority Floor Leader of the House of Representatives, a distinction not held by a member from Oxford County for many years. Rep. Whitman is presently a member of the Legislative Research Committee and was recently appointed chairman of the sub-committee considering the preservation of the Allagash.

The 35-year-old veteran of World War II, has been active in local and state activities for several years. He has served as chairman of the Woodstock Republican Committee and is currently a member of the Oxford County Republican Committee. He is a member of the Masons, Eastern Star, Grange, American Legion, and sings with a popular barber shop quartet known as the "Balladiers."

16,480 HOUSING UNITS IN OXFORD COUNTY

The 1960 Census of Housing counted 16,480 housing units in Oxford County, Maine. Of these: 9,266 were in sound condition with all plumbing; 12,771 were occupied; 8,932 were occupied by owners; \$6,800 was the median value of owner-occupied places; 3,839 were occupied by renters; \$57 was the median gross rent of rented places; 11,381 had hot and cold running water; 12,281 had flush toilet; 11,030 bathtub or shower; 12,277 had basement; 275 were trailer homes; 328 households had air

conditioning; 11,612 had TV; 11,164 radio; 9,579 telephone; 11,244 had washing machine; 1,459 clothes dryer; 2,105 had 1 or more home food freezers; 8,845 had 1 automobile; 1,759 had 2 automobiles; 343 had 3 or more automobiles.

NOTE: Detailed information on housing for the State, cities and counties is presented in Series HC (1), No. 21, Maine, published by the Bureau of the Census and sold by the Superintendent of Documents, Government Printing Office, Washington 25, D. C., and by Field Offices of the U. S. Department of Commerce. The price per copy: 60 cents.

time Deputies and twelve on a call basis, as well as three full time Guards at the County Jail.

Federal training has been afforded at FBI conducted schools in Rumford and Auburn, Maine.

Lassiter was born January 4, 1908, in Darke County, Ohio, and spent much of his life in Michigan. He was educated in St. Louis, Michigan. Raised on a farm, he entered the U. S. Army in 1929. A captain in World War II, he was cited for meritorious service in Normandy against the enemy. Later he was seriously wounded in action in northern France.

During the postwar period Sheriff Lassiter served as commandant of a military prison with an inmate population of five to six thousand prisoners.

Following this he served as Provost Marshal of Rome, Italy; with approximately 400 Military and Italian Police under his jurisdiction.

He completed his service with the Counter Intelligence Corps in Vienna, Austria; in charge of CIC Agents carrying out confidential investigations for the U. S. Government.

Fraternal connections include: Oxford County Pomona Grange, Bear River Grange, Newry, Mundt-Allen Legion Post, Bethel, and the Norway Paris Kiwanis Club.

He married the former Rosaline M. Morrill, a Bethel native, in 1938. They attend the First Congregational Church where she is active in organization work. They have no children.

Teen-Agers Add Lively Lift To New March of Dimes Drive

Slave auctions in this Civil War Centennial Year? It can—and does—happen here, with the slower of American youth on the block.

But in this century, there's a difference. Now it's all in a good cause. Members of the New March of Dimes Teen Age Program (TAP) auction their services to the highest bidder among local merchants. The money goes to support the National Foundation-March of Dimes attack on birth defects, arthritis and polio.

It's all part of TAP members' lively approach to volunteer community service. They also sponsor walkathons (shades of the Thirties!) in which teams from rival schools move toward the finish line as dimes are contributed. They dance for dimes at casual sock hops and formal balls, man concessions at school sports events, and hold community car washes.

Through such ingenious fun-for-funds projects, TAPs raised nearly three-quarters of a million dollars during the 1961 March of Dimes.

For the 1962 New March of Dimes in January, tens of thousands of the youthful volunteers are literally "on TAP." In more than 75 per cent of the National Foundation's 3,100 local county chapters, active TAP committees are determined to hit new highs in fun as well as funds.

Adult advisors who work with TAPs point out that underlying the outward frivolity of the teenagers' projects is deep awareness of the need for increased research and progress in the fight against crippling birth defects, arthritis and polio. During the year, many youngsters assist in local patient services by reading to disabled children, writing letters for severely crippled arthritis or working as hospital aides.

A prime year-round responsibility of TAP members is distribution of information about National Foundation scholarships to students in high schools and colleges. Each year, more than 600 four-year scholarships with a full value of \$2,000 apiece are offered for study in medicine, nursing, physical therapy, occupational therapy and medical social work. TAP members know the desperate need to reduce the shortage of manpower in the health professions by encour-

aging students to undertake careers in these fields.

Leader of the Teen Age Program for the 1962 New March of Dimes is national chairman Katherine Anne Keith, 18, of Columbia, Mo. Blonde, brainy and born to be busy, Katie will handle her major responsibilities as top TAP while she pursues an ambitious freshman schedule at the University of Missouri.

On the basis of past performance, juggling scholarship and volunteer service won't intimidate Katie. She was 1961 Missouri state TAP chairman during her strenuous senior year in high school. Under her leadership, Missouri TAPs showed record gains in membership, services to chapters and funds raised for the March of Dimes.

At the same time, Katie maintained grades that ranked her third in her graduating class of almost 300 students. She was a National Merit Scholarship finalist and received the Kiwanis Good Citizenship

award. She was business manager—and occasional sports-writer—for the school paper, treasurer of the National Honor Society, queen of the major social function of the school year, had a lead role in the school play, "Teahouse of the August Moon," and actively participated in math, history, English and French clubs.

She also teaches a Sunday School class at Missouri Methodist Church in Columbia.

After a summer in Europe, including study at the Sorbonne in Paris, the energetic Katie began to plan for a banner year of TAP activity for the March of Dimes.

"Teenagers who are looking for a sense of satisfaction along with fun, and friendship are missing a bet if they don't check TAP activities in their local March of Dimes chapter," she says. "A TAP committee isn't just another youth organization—it's not merely a club to serve youth. Instead, it gives us an opportunity to serve our communities."

STATE FOREST SERVICE TO HOLD MEETINGS ON DUTCH ELM DISEASE

The Maine Forest Service will explain the State's cooperation in forthcoming municipal Dutch elm disease control programs, as provided by the November Special Session of the Maine Legislature, through regional municipal meetings. Nearby meetings will be held: Jan. 24, Rumford Municipal Building, Superior Court Room, 2:00 p. m.; Jan. 25, Bridgton Municipal Building, 2:00 p. m.

The complexity of the Dutch elm disease does not lend itself to ready understanding of proper control measures. To aid municipalities in understanding and combating this problem, the State Forest Service offers a cooperative program of advisory and financial aid

which has been outlined by letters to all municipalities. The many questions expected on details of the program will be clarified at these meetings. Municipal officials and others interested in preservation of community elms are urged to attend and obtain full information for effective application of a program in their communities. Time will be allowed for questions and discussions in the two-hour meetings.

The problem of Dutch elm disease and its effect on Maine communities increases in serious proportions yearly. New infections last year in 26 communities raised the total infected towns to 173. All communities should take preventive steps now to prevent elm losses.

Carbon monoxide can be a real killer, in a warm closed car. The State Police advise that we combat this danger by keeping a vent open in our car at all times and by having our exhaust system checked periodically for leaks.

Outlook For the Automobile Industry — 1962

The outlook for the automobile industry this year is favorable. Present indications are that 1962 will be the best auto year since 1955, which was a record year. Based on the reception the 1962 models have already received, we believe that unit passenger car production this year for the domestic auto companies could be about 6.5 to 7 million, with at least one million additional truck units. We estimate that 1961 unit production was 5.8 million. The used car market appears especially favorable and franchised dealers should be able to offer prospective new buyers a more liberal allowance on their old automobiles. On top of this, the major companies have lengthened some models, shortened others and in general are presenting the public with a wider choice with respect to size and price than ever before. Despite substantial increases in market prices, we continue to regard selected issues as attractive capital gains candidates.

Our number one selection is Ford Motor Company. We estimate that Ford will earn around \$8 per share for 1961. If the company does, it will be the only domestic manufacturer to exceed 1960 earnings. For the present year we believe that earnings of \$11 per share are distinctly possible on the company's known operations and this figure could easily be somewhat higher.

General Motors is of sufficient quality and stature in the industry to be reasonably attractive for a sound and well protected dividend return and possibly some market appreciation. However, the Federal government's direct

FROM OUR FILES

10 YEARS AGO

The town of Rumford had a new 750 gallon American La France pumper, with a 300 gallon booster tank and a five man cab.

Merrill Kimball, South Waterford, had shipped 3,989 deer hides valued at over \$12,000.

Bethel's new school building was named Crescent Park School. The name was suggested by Mrs. H. R. Tibbitts and chosen by the school committee. Announcement was made at an open house meeting of the Parent Teacher Association at the new building.

Deaths: Glen R. Mason, Ernest A. Curtis, Mrs. Matti Helkinen, Fred A. Wight, Clifford F. Adams, Herbert W. Jackson, James Mundt, Mrs. Viola Kimball, Valentine J. Oja.

20 YEARS AGO

Over 200 Bethel people volunteered for service in Civilian Defense.

Automobile tires were rationed.

Nurses Aid classes were being formed by Mrs. Ruth Hopkins.

There was over \$2,000 fire damage at Richard Davis' sawmill at East Bethel. Rebuilding was started at once.

Deaths: Will Bartlett, Frank Abbott, George Day, Mrs. Frances A. Richardson.

A long trip, a warm stuffy car and a tired driver add up to danger on the highway, the Maine Highway Safety Committee warns. Don't wait until your head starts to nod before you take a break from driving.

It may be too late. It is your moral responsibility to endeavor to avoid an accident.

If you feel yourself getting sleepy while driving, the State Police advise that you pull off the road and relax. A cup of coffee and a few breaths of cold winter air should wake you up.

If you're still sleepy, stop where you can get to bed. It simply does not pay to take chances with fatigue if you are behind the wheel of a car.

1962 MAINE HIGHWAY MAP BEING DISTRIBUTED

The 1962 Official Maine Highway Route Maps are now being distributed by the State Highway Commission. They will soon be available to all Maine State Highway Commission offices, Department of Economic Development, Publicity Bureau, chambers of commerce, and travel bureaus.

This year's official route map has a new design front cover and back page, and the map itself has been brought up-to-date, reflecting all changes made since a year ago—in routes, because of construction on new location, and the additional mileage of the Interstate highway, now opened to traffic in the Bangor and Portland areas.

Designed to aid the motorist in every way, the large clear map shows U. S. Routes in red, State Routes in black and unnumbered routes in gray. Maine's sixteen counties are printed in various colors for quick identification. The bordering state of New Hampshire and Canada are white; lakes, rivers, oceans are blue. State parks are printed in vivid green and cities of 10,000 and over in population are in yellow. Around the border of the new edition of the map eight large scale inset maps help the motorist locate routes in the urban areas of Rumford-Mexico, Bangor-Brewer, Saco-Biddeford, Waterville-Winslow, Portland-South Portland, Auburn-Lewiston, Augusta and Kittery. A handy index assists the traveler in computing distances between 49 Maine cities and towns on numbered highways. A legend, newly decorated this year with a sketch of one of the Department's 200 roadside picnic areas, gives the symbols for highways, parks, camp sites, picnic areas, game management areas, etc.

On the reverse side of the map 12 of Maine's state parks are depicted in colorful photographs, plus four handsome scenes of Acadia National Park. Also included on this side of the map is informational material covering the geography of Maine, points of interest, recreational features, and a highway route mileage log with cumulative mileages.

The cover of the 1962 Official Highway Map has two more colorful photos, one of a typical scene on one of Maine's 2590 sparkling lakes, the other an aerial view of a portion of America's Most Scenic Highway (Interstate 95, Augusta to Waterville and Fairfield). The caption invites the motorist to "Enjoy Hundreds of Miles of Nature's Beauty Along Our Fine Highways."

There is a noble forgetfulness—that which does not remember injuries.

OXFORD COUNTY SOIL CONSERVATION DISTRICT ELECTS 1962 OFFICERS

The first meeting of the year of the supervisors of the Oxford County Soil Conservation District was held on Jan. 9 at the District Office, Masonic Building, South Paris. The following officers were elected:

W. Henry Allen, Hebron, Chairman; Norman H. Gray, Fryeburg, Vice Chairman; Charles Filibrown, Waterville, Secretary; Lerone Damon, South Paris, Treasurer; Claire L. Thurston, Norway, is the fifth regular member of the board.

Other highlights of the meeting include: sponsoring a scholarship for one or more Oxford County teachers to attend the conservation courses at the Conservation Education Foundation School, at Bryant Pond.

The supervisors voted to sponsor two contests, in cooperation with Russell Clark, 4-H leader. One will be a land judging contest and the other a conservation poster contest. The winning awards will be made at the District Annual Meeting in October.

The agenda for the February meeting will consist of a discussion of the possibilities of a small watershed flood prevention project on the Cold River. The supervisors of the Oxford District will consider sponsoring this project in cooperation with the supervisors of adjoining Carroll County in New Hampshire. Lewis E. Par-

lin, Assistant State Conservationist, of the Soil Conservation Service, will lead the discussion. Various resource agencies, the press and the County Commissioners will be invited to attend this meeting.
